

# Houzeo Brings Advanced Homebuyer Technology to Idaho's Growing Housing Market

*Home buyers across the Gem State can now find their dream home on Houzeo, schedule a tour, and submit offers.*

SIOUX FALLS, ID, UNITED STATES, June 2, 2025 /EINPresswire.com/ -- Houzeo, America's #1 home selling website and app, is now launching its buyer platform and mobile app.

Houzeo's new Real Estate Super App offers a collection of cutting-edge tools designed to cater to the modern homebuyer. From browsing to closing, the new Houzeo mobile app provides a seamless, efficient, and personalized experience every step of the way.

5,000+ Homes for Sale in Idaho

1. **Houzeo's Extensive Home Database:** Houzeo offers homebuyers access to over 1.5 million listings, including nearly 5,000 [homes for sale in Idaho](#). Its database is similar to platforms like Zillow and Redfin. Every listing includes high-quality photos, clear pricing, floor plans, property history, and local neighborhood information.
2. **IntelliSearch:** Houzeo's IntelliSearch tool makes it easy for Idaho buyers to find exactly what they want by typing simple searches like "Single-family [homes for sale in Pocatello](#) under \$300k" or "new construction homes in Coeur d'Alene." This smart feature delivers quick, accurate results to help buyers save time and find their ideal home.
3. **Intuitive Map Filters:** Houzeo's interactive map makes it easy to browse Idaho homes. Buyers can filter listings by open houses, recent price reductions, new builds, or properties without HOA fees. As they adjust filters, the listings update in real time, helping them narrow down options quickly.
4. **Book a Home Tour:** Homebuyers can pick a time that fits their schedule and book a visit to any Idaho property—no phone calls needed.

5. Save Favorite Homes: Idaho buyers often compare homes across cities like Boise, Idaho Falls, and Pocatello before making a decision. Houzeo's Favorites tool helps users save properties and revisit them anytime. It's especially useful for couples or co-buyers reviewing their top choices together.

6. Contact Agent: Houzeo's "Contact Agent" feature lets buyers connect directly with listing agents. Whether asking about a Historic [homes for sale in Idaho Falls](#) or making an offer on a condo in Boise, users can send messages, request updates, and negotiate—right through the platform.

And you can do this on the web, via the Houzeo website, or the Houzeo mobile app!

Houzeo is on a mission to create a one-stop shop for residential real estate. It has launched 9 different tools for home sellers and is now just getting ready to cater to home buyers. By providing simple discovery and transaction tools, Houzeo aims to simplify buying and selling homes in the US. If it's related to your house, Houzeo has you covered.

Download the Houzeo mobile app on the Apple App Store or the Google Play Store for free.
