

# Meta Power Solutions to Exhibit at RE+ Tradeshow in Las Vegas, September 8–11, 2025

LAKE PARK, FL, UNITED STATES, May 16, 2025 /EINPresswire.com/ -- Meta Power Solutions, a leading manufacturer of advanced electrical power distribution equipment, is excited to announce its debut at the RE+ Tradeshow, taking place September 8–11, 2025, at Caesars Forum & The Venetian Expo Center in Las Vegas.

As the largest clean energy event in North America, RE+ brings together innovators and industry leaders across the renewable energy sector. Meta Power Solutions will showcase its range of robust, customizable electrical power distribution products, including state-of-the-art [medium voltage transformers](#), [low voltage switchboards](#), single -phase pole-mounted systems, and [custom-engineered medium voltage switchgear](#).

“We’re thrilled to bring Meta Power Solutions to RE+ for the first time,” said Roberta MacDowell Simpson, Director of Marketing at Meta Power Solutions. “Our team is eager to connect with industry peers and demonstrate how our cutting-edge solutions deliver safe, reliable electrical power distribution built to meet the evolving needs of the renewable energy sector.”

Visitors to Booth # F20301 can experience:

- A Lineup of our showcased products
- Video highlights of our products on job sites
- Giveaways, while enjoying a cold beer and a bag of fresh popcorn

Meta Power Solutions is committed to supporting the global transition to cleaner, more resilient power systems through innovation, quality, and customer-focused service.

About Meta Power Solutions

Meta Power Solutions designs and manufactures premium electrical power distribution

equipment trusted by utilities, infrastructure developers, and industrial clients worldwide. With advanced in-house design, rigorous quality control, and rapid delivery, Meta Power Solutions powers the systems that power the world.
