

# Carolina Pro Restoration Expands Services in Fort Mill and Charlotte to Include Roofing, Decks, and Flooring

*Now offering roof repairs, custom decks, flooring, and subfloor restoration to provide full-service solutions after property damage.*

FORT MILL, SC, UNITED STATES, May 16, 2025 /EINPresswire.com/ -- Carolina Pro Restoration, a trusted local company known for its expertise in water damage restoration, is expanding its services in Fort Mill, Charlotte, and nearby areas. In addition to handling emergency water damage and mold remediation, the company now offers construction and home improvement services. These include roof repair and replacement, [deck and porch construction](#), luxury vinyl plank (LVP) flooring installation, and subfloor repair.

Serving Fort Mill and Charlotte

This expansion gives homeowners and businesses a single, reliable source for restoration and rebuilding—something many have been asking for over the years.

## Meeting the Needs of Local Property Owners

Carolina Pro Restoration has helped homeowners recover from water damage caused by storms, broken pipes, and other unexpected issues. As more clients began asking for help beyond the initial cleanup, the company saw an opportunity to grow. By offering construction and repair services, they're able to guide clients from damage to full restoration—and even home upgrades—with one experienced team.

"We've always handled the tough part—getting water out, drying homes, and fixing the damage," said Lauren Alvarez, owner of Carolina Pro Restoration. "But after that, many people needed

someone they could trust to put everything back together. Expanding our services just made sense.”

### New Services Now Available

Carolina Pro Restoration is now providing the following construction and improvement services:

#### Roof Repair & Replacement

Whether it's fixing a small leak or replacing a full roof after storm damage, the company's roofing team provides professional, code-compliant repairs for both homes and commercial buildings.

#### Deck and Porch Construction

From simple front porches to large backyard decks, the team designs and builds outdoor spaces that match the home's style and stand the test of time.

#### [LVP Flooring Installation & Refinishing](#)

LVP flooring is a great choice for its durability and modern look. Carolina Pro Restoration installs and refinishes these floors to improve both function and appearance indoors.

#### [Subfloor Repair and Refinishing](#)

A damaged subfloor can lead to serious problems down the road. The company now repairs and prepares subfloors to ensure a safe, solid foundation for new flooring.

“

We're not just showing up to get the job done—we're helping people get their homes and lives back. That's what drives us.”
