Walk Five Miles in Denver, Colorado, with Endurance Icons Diana Nyad & Bonnie Stoll

DENVER, CO, UNITED STATES, May 16, 2025 /EINPresswire.com/ -- The second annual EverWalk Denver Outside 25 five-mile walk is set to take place on Sunday, June 1, 2025 at 9AM as part of the Outside Festival taking place in Civic Center Park.

This five-mile walk — a free event, sponsored by UC Health Denver and Outside — will be led by endurance icons and EverWalk founders Diana Nyad and Bonnie Stoll. Diana made history with her 53-hour swim from Cuba to Florida in 2013. Bonnie was the leader of the expedition. The hit Netflix movie NYAD, starring Annette Bening and Jodie Foster, earned Oscar nominations just last year.

Nyad and Stoll founded EverWalk to recapture the awe of our blue planet, which they experienced during their years out on the epic ocean. They then envisioned leading people on walks, imagining stride by stride what they might do with their lives, all the while creating communities, one step at a time.
