dating app designed for people who prefer reservations over swipes, is proud to announce its sponsorship of the 2025 Distinguished Gentleman's Ride (DGR) in Orange County. Taking place on Sunday, May 18, the ride brings together classic and vintage motorcycle enthusiasts to raise funds and awareness for men's mental health and prostate cancer research.

With its signature blend of elevated style, real-life experiences, and social connection, Zinglez is the perfect partner for an event that celebrates both purpose and presence. The DGR's emphasis on community,

individuality, and showing up for a good cause aligns closely with Zinglez's mission to make dating more intentional, local, and engaging.

“This isn't just a ride—it's a movement,” said James He, Zinglez co-founder. “And Zinglez is proud to support an event that brings people together in style, for something that matters. It's the same spirit behind our app: showing up, being seen, and making meaningful connections.”

The Orange County ride will start at the famed Huntington Beach Pier and take participants on a scenic route through the coast, ending at Hot Rods & Handguns in Huntington Beach. Riders are encouraged to dress in their dapper best—think tweed, ties, and vintage cool—adding even more charm to the day's purpose.

Zinglez invites attendees to stop by its post-ride booth to learn more about the app and how Zinglez is spotlighting local OC businesses, restaurants, and venues that create space for dating and community connections.
