QUINCY, MA, UNITED STATES, May 26, 2025 /EINPresswire.com/ -- The Jewelers and Coin Co of Quincy, MA is thrilled to announce a new initiative aimed at making the trip to their store more accessible and welcoming.

Effective today, they have arranged free parking for all their customer in the three corner parking lots across from their corned four signaled intersection at Beale Street and Adams Street in Quincy, Massachusetts.

People are seeking simple solutions to make their day more productive and less stressful and the ample parking at the four-way intersection allows that

for the foreseeable future.

We just want our customers to have one less worry,” continues Venice. “We have really made the effort to put our customers first. We stay open until 7pm on weekdays to accommodate our customers who work during the week, and we're open Saturday and Sunday to make sure everyone can come in when it's best for them off their work schedule. We offer private appointments for clients who want to conduct their estate jewelry transactions in a more private
