

Business Solutions Marketing Group Unveils AI Review Builder to Revolutionize Small Business Reputation Management

MECHANICSBURG, PA, UNITED STATES, May 16, 2025 /EINPresswire.com/ -- [Business Solutions](#) Marketing Group, a leader in digital marketing solutions for small businesses, today announced the launch of AI Review Builder, an advanced, AI-driven platform designed to simplify the review-generation process and enhance online reputations.

With a staggering 93% of consumers reading online [reviews](#) before making a purchase (Podium), securing a steady stream of positive feedback has become essential for growth. Yet many small business owners find themselves overwhelmed by manual outreach, lost opportunities, and inconsistent response times. AI Review Builder addresses these challenges head-on by automating every

step—from review requests via SMS, email, and QR codes to AI-suggested response templates and one-click submission for customers.

“

AI Review Builder - we're giving small businesses a true superhero—an always-on assistant that triples review volume, protects against fake feedback, and frees owners to focus on serving customers.”

Linda Donnelly

“Our clients have told us again and again that gathering and managing reviews eats up hours each week,” said Linda Donnelly, CEO of Business Solutions Marketing Group. “With AI Review Builder, we're giving small businesses a true superhero—an always-on assistant that triples review volume, protects against fake feedback, and frees owners to focus on serving customers.”
