

British Patients Flock to Türkiye for Affordable Dental Treatments

With dental costs reaching record levels in the UK, more British citizens are travelling to Türkiye for top-quality yet affordable dental care.

ANTALYA, TURKEY, May 17, 2025 /EINPresswire.com/ -- With dental costs reaching record levels in the UK, more British citizens are travelling to Türkiye for top-quality yet affordable dental care. This trend, popularly known as "Turkey Teeth," has positioned Türkiye — especially cities like Antalya — as a top destination for health tourism.

Leading this movement is Center [Dental Clinic in Antalya](#), where patients can receive full-mouth restorations, smile makeovers, and dental implants at a fraction of the cost compared to the UK. One British patient recently reported saving more than £23,000 by choosing Center Dental Clinic, paying just £7,000 instead of the £30,000 quoted in the UK.

"Our clinic not only offers advanced dental technologies but also provides a seamless experience where patients can combine their treatment with a holiday in one of Türkiye's most beautiful cities," said Gökhan Demirok, Clinic Director at Center Dental Clinic.
