

# New Book for Doodle Dogs Tops Amazon Charts With First Routine-Based Training Approach

*Doodle expert Corinne Gearhart launches the first training guide built around daily structure for Doodle dogs, now topping five Amazon categories.*

DENVER, CO, UNITED STATES, May 19, 2025  
/EINPresswire.com/ -- Corinne Gearhart's New Doodle Training Book Tops Five Amazon Categories

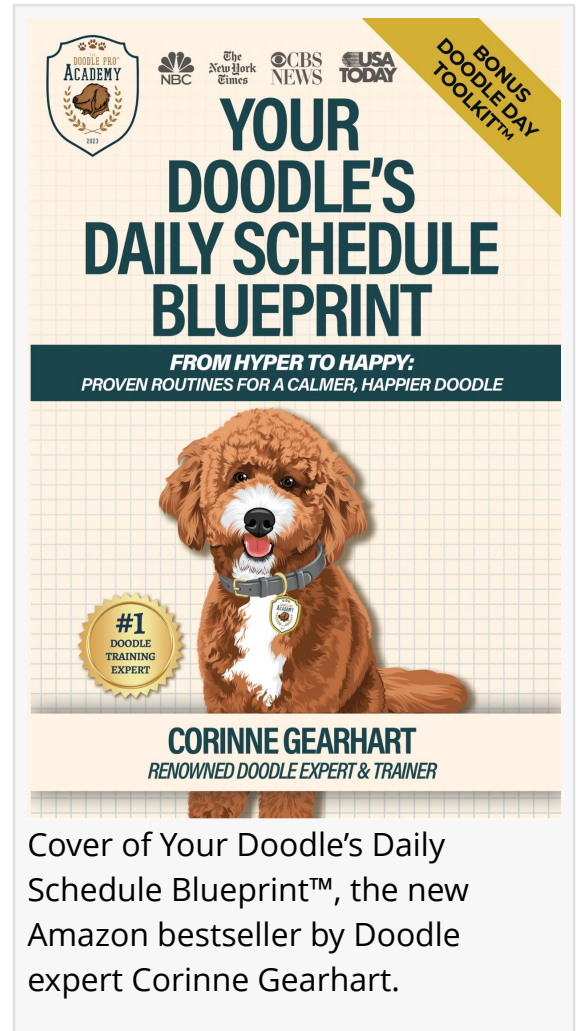

Corinne Gearhart releases the first structure-focused guide for Doodle dogs, topping five Amazon categories at launch

A new training book for Doodles has surged to the top of the charts, hitting #1 New Release in five Amazon categories including Dog Training, Dog Breeds, and Ethology. *Your Doodle's Daily Schedule Blueprint™*, by certified trainer and podcast host Corinne Gearhart, also reached #2 Bestseller in both Ethology and the Biological Science of Dogs & Wolves.

Doodles—popular dogs like Goldendoodles, Labradoodles, and Bernedoodles—are known for their energy, intelligence, and emotional sensitivity. But many pet parents quickly discover that raising a Doodle requires more structure and support than they expected. Gearhart's new book is the first to offer a science-backed, daily routine-based approach built specifically for the needs of Doodles.

"Doodles aren't just fluffy versions of other dogs," said Gearhart. "They need consistency, emotional support, and clear structure to thrive—especially in busy family homes."

Recognized as the leading expert on Doodle behavior and training, Gearhart is the founder of [The Doodle Pro®](#) and host of [The Doodle Pro® Podcast](#), which has surpassed 100,000 global downloads. With over 50,000 hours dedicated to working exclusively with Doodles, she's helped
