precision to non-invasive skin and vascular treatments—further enhancing Indulgence’s mission to deliver world-class care with a personalized touch.

About [Nordlys®](#)

The award-winning Nordlys system is recognized globally, has been used by celebrities, and has been featured in

multiple media outlets, including The Today Show on NBC. Sunset Dermatology is now incorporating this system into its state-of-the-art practice to support total wellness and preventative care.

Nordlys® has established a new standard in Intense Pulsed Light (IPL) technology with its cutting-edge SWT® (Selective Waveband Technology) IPL narrowband system. This technology provides unparalleled precision, effectiveness, and safety in IPL treatments, addressing pigmentation concerns and vascular lesions, which supports overall skin health and well-being.

The Nordlys® Narrowband with SWT® offers exceptional outcomes with minimal discomfort and downtime, promoting a more holistic approach to wellness. Its customizable settings and targeted delivery ensure precise, individualized treatments, aligning with Biolite’s preventive care philosophy.

“I’m thrilled to bring the power of the Nordlys system to the Greater Lowell area community,” said Anu Bhatnagar, owner of Indulgence Aesthetics Wellness & Med Spa. This cutting-edge technology is a true game-changer—allowing us to deliver highly personalized, results-driven treatments for everything from skin resurfacing and pigmentation correction to vascular concerns and hair reduction. Our clients deserve the very best, and with Nordlys, that’s exactly

what we're providing."

In addition to the Nordlys system, Indulgence also offers the GentleMax Pro Plus—Candela's gold-standard dual-wavelength laser designed for hair removal, vascular treatments, and pigmented lesion reduction. Known for its speed, safety, and efficacy, the GentleMax Pro Plus continues to be a patient favorite for achieving smoother, clearer skin with ease.

By investing in the industry's most advanced technologies, Indulgence Aesthetics Wellness and Med Spa reinforces its commitment to offering clients the latest in medical aesthetics, skincare, and overall wellness.
