

Orange County Movers Respond to Remote Work Migration with Modern Interstate Moving & Storage Solutions

LAKE FOREST, CA, UNITED STATES, May 20, 2025 /EINPresswire.com/ -- With the remote work revolution reshaping where Americans live, a growing number of households are packing up and heading across state lines in search of better weather, more space, or a lower cost of living. Data from IPUMS USA, as [reported here](#), shows that in California, about 38,000 more remote workers moved out than came in. In response, [Terry Moving & Storage](#) announces the expansion of its white-glove interstate moving and climate-controlled storage services, tailored for today's mobile professionals and families.

From tech professionals trading city skylines for mountain towns to retirees heading for sunnier states, the demand for reliable, full-service moving has surged. Terry Moving & Storage—based in Lake Forest, California—is meeting this demand head-on with white-glove interstate moving options, secure climate-controlled storage, and personalized customer support from door to delivery.

“Our clients aren’t just moving boxes—they’re moving lives,” said Mark Terry, founder of Terry Moving & Storage. “Whether they’re headed to Las Vegas, Dallas, Phoenix, Nashville, Tampa, or anywhere in between, we’re there to make sure their transition is smooth, secure, and stress-free.”
