“

We want to be the company people call when they want honesty, not pressure — especially for seniors and veterans in our Las Vegas community.”

*Kevin Tzyoni, Founder of  
Infinity Garage Door Repair*

Infinity is already recognized as the [most trusted garage door company in Las Vegas](#), with over 400 verified 5-star Google reviews and the #1 spot on Google Maps. This new initiative reinforces the values that have earned them their reputation — honesty, speed, and service.

“We’ve seen too many Las Vegas seniors overcharged or misled by companies that take advantage of emergencies,” said Kevin Tzyoni, founder of Infinity Garage Door Repair. “Our goal is to restore trust and offer real help to the people who need it most.”

Common Garage Door Scams Targeting Las Vegas Residents:

Kevin and his team have documented recurring patterns in customer complaints across the region:

- Excessive fees charged for basic repairs like spring replacements or roller swaps
- Contractors demanding full payment upfront
- High-pressure sales tactics suggesting full door replacements when not necessary
- No licenses or physical addresses provided — often out-of-town operators

Infinity advises homeowners to always:

- Request a license number
- Get at least 2 other quotes
- Avoid cash payments or same-day pressure installs
- Check for a real Google Business Profile with reviews and photos

New Program: Free Emergency Garage Door Inspections for Seniors & Veterans:

Infinity's new emergency support program includes:

- Free emergency service call for seniors aged 65+ or veterans with valid ID
- Same-day inspection for stuck, jammed, or broken garage doors
- Full safety check and repair estimate

"This isn't a marketing gimmick," Kevin added. "It's our response to what we're seeing in the field every day. When seniors get scammed, it's not just money lost — it's trust lost. We want to fix both."

This program is available across the entire Las Vegas Valley, including Summerlin, Henderson, North Las Vegas, Queensridge, The Ridges, and surrounding communities.
