

# Find Your Rehab Launches the Largest Online Directory for Alcohol and Drug Rehab and Mental Health Facilities in the US

---

Washington, NC – Find Your Rehab is thrilled to announce the launch of its new online directory for alcohol and drug rehab and mental health facilities in the US. With over 500,000 drug and alcohol rehabs and over 400,000 mental health centers listed, Find Your Rehab is one of the largest online directories dedicated to helping individuals across the US find the perfect facility to suit their rehabilitation needs.

Designed as a comprehensive resource to streamline the process of finding an addiction treatment program or drug rehab center, Find Your Rehab lists over 30,000 locations across America. The rehab centers are conveniently categorized by location, treatment type, and specialties to further help individuals compare and explore the available options.

“Begin your recovery journey today by exploring a wide selection of recovery options through our new platform, with numerous rehabilitation centers available to meet different needs,” said a spokesperson for Find Your Rehab.

The extensive online directory lists a wide range of rehabilitation facilities that offer a selection of different services, programs, and treatments, including drug detox, couples therapy, dual diagnosis rehab, and family therapy. Find Your Rehab’s easy search and filter options also enable individuals to quickly narrow down results with search tools and filters based on their preferences, such as treatment approach, insurance accepted, or facility type, to further simplify finding the ideal treatment center.

Find Your Rehab additionally provides an in-depth informational resource for a variety of addiction treatment programs, types of care, what to consider when exploring rehab centers, and what insurance plans and companies are available for more accessible care to assist individuals in making a confident, fully informed decision before reaching out to their chosen rehabilitation facility.

Find Your Rehab encourages individuals searching for alcohol and drug rehab and mental health facilities in the US to explore its new online directory today to find a facility that caters to their unique recovery needs.
