

# Adesso Announces EasyTouch 1500 Ergonomic Keyboard Series with German Engineered Cherry Key Switches at Computex 2025.

*Adesso announced the EasyTouch 1500 Series, featuring Cherry switches, ergonomic design, and multi-OS support for power users and pros.*

TAIPEI, TAIWAN, May 20, 2025 /EINPresswire.com/ -- [Adesso Inc.](#), a leading provider of innovative desktop and mobile peripheral accessories, proudly announces the launch of the new EasyTouch 1500 Series—a revolutionary line of ergonomic, multi-OS mechanical keyboards designed for maximum customization, performance, and now enhanced with German-engineered [Cherry MX](#) mechanical key switches.

This strategic integration represents a major milestone in Adesso's commitment to delivering superior user experiences through innovation and the use of top-tier components.

Globally recognized for exceptional craftsmanship and precision engineering, Cherry key switches have long set the gold standard in the keyboard industry. Cherry's German-engineered switches incorporate tungsten steel components—delivering superior hardness, corrosion resistance, and strength, making them significantly more robust and reliable than many competing options.

**Key Product Highlights – Adesso EasyTouch 1500 Ergonomic Series**

**Customizable Design** – Swappable keycaps and switches let users personalize both aesthetics and tactile feedback.

Supports driver-level customization – Compatible with QMK and VIA, empowering users to create custom macros, remap keys, and design personalized layouts with precision.

Copilot AI Shortcut Key – Instant access to Microsoft Copilot AI for streamlined productivity.

RGB LED Backlighting – Dynamic lighting effects enhance visibility and style.

Ergonomic Design for Comfort with Reliable Performance

CHERRY MX Switch Technology – Available in Red, Green, Blue, Brown, and Black for tailored key feel.

“

Integrating Cherry switches into our keyboards offers customers a broader range of performance options. This partnership is a turning point in our mission to deliver more choices and higher quality.”

*Allen Ku, President of Adesso.*

Sound Absorbing Gasket – Reduces keystroke noise for a quieter, more comfortable typing experience.

Multi-OS Compatibility – Seamlessly supports Windows®, macOS®, Android™, and more.

Flexible Connectivity – Wired USB-C, Bluetooth®, and 2.4 GHz wireless options for versatile use.

The EasyTouch 1500 Series with Cherry switches is now available through authorized Adesso distributors and partners.

#### About Adesso:

For more than 30 years, Adesso has led the way in computer peripheral innovation. As a top brand in North America and the UK, Adesso remains committed to enhancing user experiences through cutting-edge technology. To support global demand and ensure a resilient supply chain, the company has expanded its manufacturing footprint across Asia, including facilities in China, Taiwan, and Vietnam.
