Doug Lane is a seasoned technology executive and thought leader, known for his ability to guide organizations through large-scale digital change. Over his career, Doug has held senior leadership roles at prominent firms including Capgemini Government Solutions, Booz Allen Hamilton, and PricewaterhouseCoopers, helping Fortune 500 clients modernize their operations and unlock the value of platforms like Salesforce.

“Doug's insights and industry expertise are a perfect fit for

our strategic direction,” said Prabhakar Ramakrishnan, CEO of CloudWave. “His deep understanding of the public sector market, combined with his experience in customer-centric transformation, will help guide our next phase of growth and innovation.”

As an advisor, Doug will work closely with CloudWave's leadership and delivery teams to refine the company's go-to-market strategy, expand its partner ecosystem, and support its mission of delivering agile, intelligent solutions that accelerate client success.

“I'm excited to partner with CloudWave at such a pivotal time,” said Doug Lane. “Their focus on blending cloud, automation, low-code / no-code and AI to drive meaningful business outcomes is exactly what the market needs right now. I look forward to helping them scale their impact.”

This partnership marks another important milestone in CloudWave's journey to becoming a trusted leader in modern enterprise transformation.
