[TAMPS Guide](#). Absolute Capital’s TAMP—the [Workplace Investment Navigator](#) (WIN) platform — offers advisors access to more than 350 vetted strategist/manager models for their clients' held-away 401(k) accounts.

The Wealth Advisor’s 2025 America’s Best TAMPS Guide is compiled based on the results of an independent survey of The Wealth Advisor’s registered subscribers, which was conducted in December 2024. According to the publication, advisors view TAMPs (Turnkey Asset Management Programs) as essential business partners rather than discretionary tools, making excellence in technology, support, investment options, and professional development critical to success.

"We’re thrilled to be recognized for our innovative TAMP solution that makes it easier for more individuals to have professionally advised 401(k), 403(b) and 457 accounts while they are still working," said Brenden Gebben, CEO of Absolute Capital. "We’re focused on providing what truly matters to advisors and their clients—seamless access to high-quality, flexible investment

models that advisors can customize for individual client needs in held-away accounts that traditionally receive less attention."

This achievement speaks to the impact Absolute Capital's focused solution has made in the industry. Absolute Capital highlights within the 2025 America's Best TAMPs Guide include:

- One of the top 10 fastest-growing TAMPs\*
- Best Model Marketplace Special Distinction: More than 350 investment models: mutual fund and ETF models; proprietary mutual funds; equity SMAs; fixed - income, SMAs; BRI, target-risk and goals-based strategies; advisor-directed UMAs/multi-strategy accounts
