MAUK, GA, UNITED STATES, May 21, 2025 /EINPresswire.com/ --

[GEORGIA WHITETAIL DEER HUNTS](#) - 2025/2026 Dates Available

Gray Ghost Plantation, aptly named because the property once belonged to an old confederate officer who is buried on the property, is a family-owned and operated private hunting operation located in remote west central Georgia.

Hidden among the scrub oak sandhill ridges, mature loblolly and longleaf pines, and mature hardwoods; Gray Ghost is one of the best kept hidden treasures in Georgia for BIG whitetail deer!

At Gray Ghost we follow strict quality deer management practices. Our year-round management program includes prescribed burning, large food plot maintenance, mineral stations and a high protein/mineral supplemental feeding program. Not just to attract and hold deer but more importantly to provide them with the best habitat and all the nutrients needed to grow to their fullest potential.

As a result, our whitetail population is healthy and thriving, which means we can offer you the best fair chase opportunity to fill your tag and your freezer with a Georgia Giant at competitive rates.

THE LODGE

Nestled in the natural beauty of the peaceful southern pine plantation of Gray Ghost sits the Lodge. The lodge is a combination of southern hospitality and rustic charm in and of itself. It serves as the central meeting place for your stay with us and is designed to create a relaxing, comfortable atmosphere. With its hardwood floors to the knotted pine walls the lodge is a step back into a "peaceful state of mind" that most long for but seldom find.

The wrap around porch offers our guests the opportunity to escape the external stressors of daily life, sit in quiet reflection while listening to the breeze whisper through the Georgia pines or socialize with others. The lodge is genuinely a special place where after a day in the field, short sips and tall tales are often shared, laughter fills the air and memories continue to be made.

We also understand that an essential part of your overall hunting experience includes great food, and we take pride in serving you some of the best home-cooked meals you'll find anywhere in the south. Breakfast, lunch and supper are served each day, and we look forward to dining with you around our table. If you have special needs or concerns, please let us know ahead of time so that we can accommodate you.

We are remote, but not that far away. The plantation is located in rural Taylor and Schley Counties forty-five minutes from Americus, Columbus and Macon Georgia. One hour and fifty-five minutes south of Atlanta. Our goal isn't to get you to simply come hunt with us. Our goal is to ensure that your overall experience with Gray Ghost Plantation is an unforgettable investment in your happiness, making memories that last a lifetime and leave you wanting to come back again. This is more than just a hunt!
