

# JADEN SCHUMACHER AIMS TO SET COUNTRY MUSIC ON FIRE WITH A HILLBILLY HIP-HOP TRACK AND A CROSS-COUNTRY TOUR

*Country Music Gets a Remix with Jaden Schumacher's Latest Release and Tour*

NASHVILLE, TN, UNITED STATES, May 21, 2025 /EINPresswire.com/ -- Kickin' the tires and lightin' the fires—Jaden Schumacher is driving 88mph straight through the guardrails of modern country with raw energy and a throwback sensibility. This South Dakota native, now living outside of Nashville, TN, is blazing his own lane, under the guidance of producers CR Pendleton and Luke Mills of [Them Fly Bros](#). His latest single remix, "Block Party," is taking him to the next level.

A genre-bending, boot-stomping anthem of rural pride, "Block Party" throws gasoline on the fire with the help of the underground rap phenom

Lil Shoo, creating a sonic explosion of country grit and hip-hop thunder. It's loud, proud, and already pulsing through playlists and parking lots from the backroads to the big cities.

Schumacher's has been rising quickly on the national scene. Since making the move to Music City in late 2023, he's dropped hits like the retro-charged "88mph"—racking up nearly 100K streams—and the radio-ready earworm "Doin' My Rounds," which landed a coveted national sync spot earlier this year. With a sound that marries honky-tonk heart and highway swagger, Jaden's music isn't just crossing genres—it's bulldozing boundaries.

He's cut his teeth on every kind of stage imaginable: from brewery patios and rodeo arenas to support slots for heavy-hitters like Nate Smith. This summer, Schumacher's high-voltage stage presence takes center stage again— performing Heritage Days (June 7, Kearney, NE) and

storming the Iron Horse Festival (August 23, Phelps County, NE) alongside fellow [Filjack](#) Entertainment artist Jaelen Johnston, who has made quite an impression on this latest season of NBC's [The Voice](#).

Schumacher, whose sound has been compared to Bailey Zimmerman, Morgan Wallen, and Hardy, is going on tour. The Doin' My Rounds Tour kicks off this fall, hauling his outlaw country soul from Nashville to Denver with stops across the Midwest that promise to deliver a high-octane entertainment experience. If that weren't enough, Schumacher's heading back into the studio with production duo Them Fly Bros (CR Pendleton & Luke Mills) this summer to record two new tracks, set for release early fall of 2025.

From cornfields to Coachella dreams, Jaden Schumacher is a name you won't forget—and if you haven't heard him yet, just wait. You will.
