# eCAP Named Security Product of the Year at 2025 Business Awards UK

*ELEKS' eCAP is shortlisted for Security Product of the Year at the 2025 UK Business Tech Awards for its innovation in automating cybersecurity and compliance.*

LONDON, UNITED KINGDOM, UNITED KINGDOM, May 21, 2025 /EINPresswire.com/ -- ELEKS, a global software development company, is proud to announce that it has been named Winner of the 2025 Security Product of the Year at the UK Business Awards. The award recognises the company's Compliance Automation Platform (eCAP) — an advanced solution streamlining regulatory compliance and enhancing enterprise data security.

eCAP is an end-to-end platform that enables organisations to automate and manage compliance with key industry standards such as ISO 27001, SOC 2, GDPR, and HIPAA. It integrates security into every layer of operations, reducing manual workload, enhancing visibility, and ensuring full audit readiness. Presented under the Security Awards category, this accolade celebrates excellence in cybersecurity, spotlighting products that offer outstanding protection, usability, and impact. ELEKS' compliance automation platform (eCAP) stood out for its transformative approach to automating security processes and helping organisations meet evolving regulatory and cybersecurity demands.

> Winning affirms our mission to simplify security and compliance. We're proud to be recognised and committed to raising the bar for cybersecurity."
