Legal Process Outsourcing Global Market Report  
2025

What is driving the exponential growth in the [legal process outsourcing market](#)?

The legal process outsourcing market size has grown exponentially in recent years. It surged from \$17.75 billion in 2024 to \$22.14 billion in 2025 reflecting a compound annual growth rate CAGR of 24.7%. This growth can be attributable to cost efficiency and savings, globalization of legal services, focus on core competencies, and demand for specialized expertise amid an evolving regulatory environment.

What does the future hold for the legal process outsourcing market?

The legal process outsourcing market size is set to see intense growth in the next few years, skyrocketing to

\$58.73 billion in 2029 at a CAGR of 27.6%. The growth in the forecast period can be linked to the complexity of legal operations, rising data security and confidentiality needs, digitization of the legal industry, adoption of flexible working models, and legal process optimization. Major trends in the forecast period include focus on cost predictability and transparency, growth in legal analytics and predictive modeling, agile and flexible outsourcing models, emergence of legal tech startups, and outsourcing of regulatory compliance and due diligence.

What factors will drive increased demand for legal process outsourcing?

The high demand for legal assistance is expected to drive the legal process outsourcing market. As workplace issues, financial hardships, domestic violence, stringent laws, and debt matters escalate, the demand for legal assistance also rises. As standalone firms can't meet the surging demand for legal services, legal process outsourcing becomes beneficial, enabling knowledge sharing and cost reduction.

Who are the major industry players in the legal process outsourcing market?

Major companies operating in the legal process outsourcing market include Cognizant Technology Solutions Corporation, HCL Technologies Limited, Thomson Reuters Corporation, Capita plc, Axiom Managed Legal Services LLP, Huron Consulting Group Inc., and ADEC Innovation.
