

Gentzler Tool & Die Offers Comprehensive Metal Stamping Services to Ohio & Surrounding Areas

UNIONTOWN, OH, UNITED STATES, May 21, 2025 /EINPresswire.com/ -- Gentzler Tool & Die, a family-owned company based in Uniontown, Ohio, is proud to announce the expansion of its precision [metal stamping services](#) to meet the growing needs of industrial and commercial manufacturers in Ohio and surrounding areas. With over 70 years of experience, the company is a reliable metal stamping supplier for critical industries, including automotive, aerospace, appliances, HVAC, energy, and medical manufacturing.

Operating out of its 20,000-square-foot facility just south of Akron, OH, near Green, OH, Gentzler Tool & Die specializes in short- and long-run stamping for clients requiring high-quality, repeatable metal stamping parts. The company's capabilities include:

- Progressive Metal Stamping
- Transfer Stamping
- Compound Stamping
- Line Stamping
- Form Stamping

"Our goal has always been to deliver precision and reliability with every stamped component," said a spokesperson for Gentzler Tool & Die. "We are equipped with advanced metal stamping machines and experienced personnel who ensure that each part meets exacting standards, regardless of volume."

Gentzler's operations are supported by a full range of metal stamping equipment and presses capable of producing both standard and personalized metal stamp components. With an ISO 9001:2015 certification, the company maintains strict quality control protocols throughout each project—from die design to final production.

As a trusted partner for contract metal stamping services, Gentzler Tool & Die also provides in-house design support, [tool and die manufacturing](#), tool maintenance, and finishing options. The company's metal stamping press capabilities are tailored to meet the specifications of prototype and mass-production parts.

Gentzler Tool & Die's facility is located at 3903 Massillon Rd, Uniontown, OH 44685, and operates

Monday through Friday from 7:00 a.m. to 3:30 p.m.
