

WOW24-7 Named a High Performer in G2's Spring 2025 Contact Center Report

AFTON, WY, UNITED STATES, May 21, 2025 /EINPresswire.com/ -- WOW24-7, a global BPO provider of Experience Centers, today announced that its flagship services have been named a High Performer in the Spring 2025 G2 Contact Center Report, the world's most trusted source for software and services reviews.

This recognition is based on the authentic voices of verified WOW24-7 users who participated in the G2 review process. Each score and ranking in the report reflect how real customers evaluate product capabilities, satisfaction, and overall impact.

“Only about 10% of all vendors on G2 appear in our quarterly Market Reports,” said Sydney Sloan, CMO of G2. “Congratulations to WOW24-7 for earning a coveted spot in our reports this season, a recognition powered by the authentic reviews of their customers.”

“

Our Experience Center model is proving that customer experience, when done right, can be the single most strategic differentiator in today's competitive markets”

Denys Dubner

Experience Centers by WOW24-7 achieved High Performer status thanks to outstanding user feedback across categories including agent experience, ease of onboarding, customer satisfaction, and overall platform value. To qualify for inclusion, WOW24-7 received 10+ verified reviews within the quarter.

This milestone reflects WOW24-7's growing role in helping

CX leaders redefine contact centers from reactive cost centers into proactive growth engines. With enterprise-grade capabilities, WOW24-7's Experience Centers are engineered to deliver

business outcomes, not just service tickets.

“This isn’t just recognition, it’s validation,” said Denys Dubner, CEO of WOW24-7. “Our Experience Center model is proving that customer experience, when done right, can be the single most strategic differentiator in today’s competitive markets.”
