

Kinjari Launches Affordable, Artist-First Music Distribution Platform

Kinjari is a music distribution platform with unlimited uploads to hundreds of streaming platforms. Artists keep 90% of royalties and maintain full ownership.

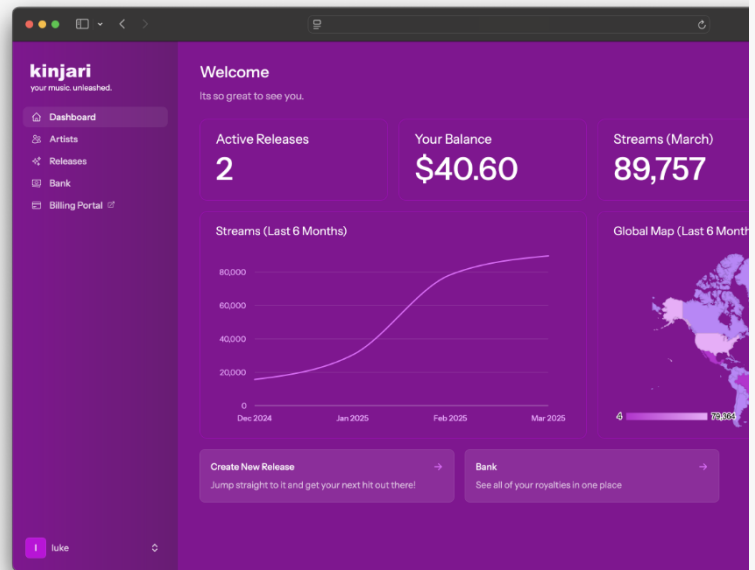

LONDON, UNITED KINGDOM, May 21, 2025 /EINPresswire.com/ -- [Kinjari](https://www.kinjari.com), a new [music distribution](#) service, is redefining how [independent artists](#) release and monetise their music worldwide. With a transparent, flat-rate pricing model and a commitment to artist empowerment, Kinjari makes it easier than ever for musicians to get their tracks on major streaming platforms and keep more of their hard-earned royalties.

Kinjari offers artists the ability to distribute unlimited music to leading platforms such as Spotify, Apple Music, Tidal, Amazon Music, and YouTube Music for just \$5 per month. Artists retain 90% of their royalties and maintain full ownership of their music, ensuring creative and financial control remains in their hands.

Key features of Kinjari include:

- Support for over 200 global stores and streaming services
- Unlimited uploads for a single, predictable monthly fee
- Distribution to all major streaming services and social platforms
- YouTube Content ID integration for additional revenue protection
- Beatport distribution for Electronic-focussed artists
- Fast, reliable royalty payments and detailed analytics
- Artist-friendly support with no hidden fees

"We built Kinjari to remove the barriers and confusion artists face with traditional distributors,"
