Meehan's transition from a distinguished legal career to becoming an author was sparked by a deeply personal tragedy—the death of her longtime secretary. In the wake of this profound grief, she turned to writing as a means to process her emotions, reflect on her experiences, and explore justice from a new perspective.

Writing became not just a career shift but a cathartic response to the pain of loss. This personal journey led to her debut as a novelist, with her crime thrillers quickly gaining attention for their emotional depth and insight.

Meehan's latest book, "[Gilgo Beach](#)," is inspired by the true crime case of the Long Island serial killings, particularly the arrest of Rex Heuermann. The novel offers a gripping, fictionalized account of the search for justice in a case that has captivated the nation.

The story centers on Mary MacIntosh, a determined protagonist who teams up with FBI profiler John Douglas to uncover the truth behind Heuermann's horrific crimes. Through MacIntosh's journey, Meehan delves into the emotional toll of pursuing justice and the quiet courage required to confront evil.
