*A soulful day of music, community, and celebration returns to Cathedral City on Feb. 7, 2026—featuring live performances, wine, and good vibes.*

CATHEDRAL CITY, CA, UNITED STATES, May 22, 2025 /EINPresswire.com/ -- The Coachella Valley is getting a soulful upgrade. Following a sold-out debut, the [Soul Springs Festival](#) returns Saturday, February 7, 2026, to the stunning Cathedral City Community Amphitheater. This second annual celebration promises a dynamic blend of soul music, community spirit, and cultural unity in the heart of the desert.

Created by entertainment veteran Derrick Pipkin of PIPS Entertainment, Soul Springs Festival is designed as a reunion of good vibes—bringing together old friends, music lovers, and new faces for a one-of-a-kind daytime experience. Last year's event drew over 1,000 guests, and this year, organizers expect to double that number with a powerful lineup of classic soul, R&B, and surprise performances.

“

This festival is more than music—it's a soulful reunion where memories are made and the community comes alive.”
