

CCS Continues Legacy of Excellence with 11th Year on CRN's Top 500 List

CRN's Solution Provider 500 Highlights Leading Technology Channel Partners Across North America

HAUPPAUGE, NY, UNITED STATES, May 27, 2025 /EINPresswire.com/ -- CCS ([Custom Computer Specialists](#)), a leading, national technology solutions provider, announced today that [CRN](#)®, a brand of The Channel Company, has named CCS to its 2025 Solution Provider 500 list for the eleventh year. Each year, CRN releases its list of top 500 solution providers, a ranking, by revenue, of the leading Technology channel partner organizations across North America. CRN's Solution Provider 500 list serves as the industry's benchmark for recognizing the top-performing technology integrators, strategic service providers, and Technology consultants, and is a valuable resource for technology vendors looking to partner with top solution providers.

CCS

CCS has established itself as a trusted leader in delivering secure, high-performance technology solutions. With deep-rooted expertise spanning over four decades, CCS excels in designing,

“

This achievement reflects the trust our clients place in us and the strong partnerships we've built over the years.”

Jay Whitchurch, CEO CCS

managing, and optimizing technology infrastructure tailored to each client's specific needs. Renowned for its commitment to innovation and client service, the CCS team empowers organizations through cutting-edge technology and unwavering support, driving meaningful outcomes and long-term success.

"We are truly honored to be recognized by CRN for the eleventh year in a row," said Jay Whitchurch, CEO of CCS.

"This achievement reflects the trust our clients place in us and the strong partnerships we've built over the years. Our team remains focused on understanding our clients' unique challenges and delivering technology solutions that help them succeed, grow, and stay ahead in an ever-changing digital landscape. We're proud to serve as a long-term technology partner, helping our clients navigate complexity with confidence and clarity."

"The Solution Provider 500 list spotlights the technology integrators, managed service providers, value-added resellers and IT consulting firms who bring in the most revenue by leading the way in business and service innovation," said Jennifer Follett, VP, U.S. Content, and Executive Editor, CRN, The Channel Company. "Recognition is reserved for companies demonstrating an unwavering commitment to business agility and sustained growth through rapidly changing industry needs and technology advancements. Congratulations go to each company for earning a well-deserved spot on the Solution Provider 500."

The full Solution Provider 500 list will be available online at www.CRN.com/SP500, beginning May 27 and a sampling of the list will be featured in the June issue of CRN Magazine.
