Global Data Systems Named to CRN Solutions Provider 500 List for 2025

LAFAYETTE, LA, UNITED STATES, May 27, 2025 /EINPresswire.com/ -- Global Data Systems (GDS), a leading full-service managed service provider, announced today that CRN®, a brand of The Channel Company, has named GDS to its prestigious 2025 Solution Provider 500 list.

CRN's annual Solution Provider 500 list recognizes North America's largest solution providers by revenue and serves as a benchmark for identifying the most influential and successful organizations in the IT services industry. With a combined revenue of $548.9 billion among all ranked companies, this list reflects the critical role solution providers play in advancing innovation and delivering transformative IT outcomes across industries.

"Being included once again on the CRN Solution Provider 500 list is a testament to the hard work, innovation, and customer-first approach that drives everything we do at GDS," said Doug Pickle, President of Global Data Systems. "We are proud to be counted among the top-performing IT service providers in North America. This recognition fuels our continued mission to simplify IT and deliver unmatched value to our clients."

"The Solution Provider 500 list spotlights the technology integrators, managed service providers, value-added resellers and IT consulting firms who bring in the most revenue by leading the way in business and service innovation," said Jennifer Follett, VP, U.S. Content, and Executive Editor, CRN, The Channel Company. "Recognition is reserved for companies demonstrating an unwavering commitment to business agility and sustained growth through rapidly changing industry needs and technology advancements. Congratulations go to each company for earning a well-deserved spot on the Solution Provider 500."

The full 2025 Solution Provider 500 list is available online at www.CRN.com/SP500. A curated selection of the list will also appear in the June issue of CRN Magazine.
