

# Switch Drops Its Newest Single 'UPSIDE DOWN!'

EDMOND, OK, UNITED STATES, May 23, 2025 /EINPresswire.com/ -- Switch is back with its latest single, "UPSIDE DOWN!" available now. With an 80s-inspired sound, the track inspires listeners to fully embrace who God created them to be and boldly stand out from the crowd.

"We really wanted to encourage listeners to live differently and follow Jesus with confidence—even when it means going against what culture says is normal," said Cassidy Estevez with Switch. "This song is a reminder that when we allow God to flip our lives upside down, everything finally makes sense."

The latest single from Switch is now available wherever music is streamed.

"UPSIDE DOWN!" releases on the heels of two powerful singles that dropped earlier this year.

"Still Small Voice" uses an electropop sound with moments of intentional silence to reflect the peace that comes from God's presence. Meanwhile, "Love Like This" captures the profound truth that if God cares for the lilies, He will surely care for us. Together, these three songs reflect unique aspects of God's character and how He cares for us.
