“

We're more than just a billing vendor. We're a financial partner. By offering both in-office and remote support.”

*Morgan Burrows*

With over 17 years of experience in healthcare financial leadership, Billing Circuit offers full revenue cycle management designed for scalability and long-term growth. Whether operating as a remote extension or physically embedded within a practice, Billing Circuit's services are rooted in trust, transparency, and proven financial results.

## Full-Service Medical Billing With a Personal Touch

Billing Circuit's Los Angeles medical billing model addresses every point of the revenue cycle, ensuring providers can focus on patient care while their financial operations are expertly managed.

What truly sets Billing Circuit apart is the company's proactive approach to denial prevention, early issue detection, and dedicated support to ensure claims are submitted cleanly and paid promptly. Their authorization management process is particularly helpful in high-volume practices where pre-approvals and insurance coordination can otherwise slow down operations.

With experience working with Medicare, Medicaid/Medi-Cal, Workers' Compensation, and all

major insurance plans, including HMOs, PPOs, and EPOs.

**Key Services Include:**

- Insurance Verification & Authorization Management
- Charge Entry & Coding Review
- Fee Schedule Tracking
- Denial Avoidance & Claims Follow-Up
- Electronic Claims Submission & Remittance Advice (ERA)
- Patient Statements & Upfront Collections
- Claims Appeal Management
- Contracting and Credentialing
- Customized Billing Reports
- Accounts Receivable (A/R) and Aging Review
- Staff Training for Front Office Teams

Local Billing: Building Trust at the Ground Level - Medical Billing Services in Los Angeles

As part of its ongoing mission to deliver next-level service, Billing Circuit now offers local billing support throughout Los Angeles. This option allows medical practices in Los Angeles to integrate a trained billing specialist directly into their workflow, bridging the gap between front desk operations and backend billing.

**Local support enables:**

- Real-time communication with billing experts
- Immediate resolution of coding or documentation issues
- Seamless integration with existing staff and systems
- Enhanced collection rates and cleaner claim submissions

By becoming part of the day-to-day operations, Billing Circuit's team can train front-office staff, audit workflows, and implement proven strategies for reducing denials and improving collections.

### A True Partner in Financial Performance - Medical Billing Companies in Los Angeles

Billing Circuit understands that revenue cycle management is not just about submitting claims - it's about providing the insight and strategy that drive financial success. Each client receives customized reporting, access to detailed billing analytics, and guidance based on evolving payer trends.

"We're more than just a billing vendor," says Morgan Burrows, founder of Billing Circuit. "We're a financial partner. By offering both in-office and remote support, we help our clients build profitable practices that run efficiently and compliantly."

Billing Circuit integrates with most major billing systems, so clients never need to switch platforms or lose historical data. Their adaptable approach is designed to support practices of all sizes and specialties - from solo physicians to multi-site clinics.
