

Wise Care 365, Windows PC Cleanup & Optimization App, Earns AppEsteem Certification

Wise Care 365 is a PC cleaner and speed up tool designed to clean junk files, optimize system performance, and enhance privacy protection for Windows users.

LOS ANGELES, CA, UNITED STATES, May 26, 2025 /EINPresswire.com/ --

WiseCleaner is proud to announce that Wise Care 365, its flagship Windows PC cleanup and optimization tool, has officially been certified by AppEsteem, a leading authority in software safety and consumer protection.

AppEsteem is a respected software review organization dedicated to evaluating and testing software for compliance, providing users with technical information about safety and reliability so they can download and use software with confidence.

This certification confirms that Wise Care 365 meets AppEsteem's rigorous standards, ensuring the software is transparent, reliable, and free from deceptive practices. It demonstrates Wise Care 365's commitment to ethical software development, safeguarding users from unwanted or potentially harmful behavior.

With the official AppEsteem seal, Wise Care 365 users enjoy greater peace of mind, knowing the software meets over 100 strict guidelines for trustworthy behavior. These standards require clear disclosures, honest advertising, and straightforward operation. Wise Care 365's successful certification assures both new and longtime users that the application upholds industry best practices and delivers its benefits safely.

Wise Care 365's certification is publicly listed on AppEsteem's official website, allowing consumers, partners, and resellers to verify its status and compliance at any time. [See the listing here.](#)
