

WSI DMS to Spotlight AI Strategy at Global Chamber® NYC–London Cross-Metro Globinar

LONDON, ENGLAND, UNITED KINGDOM, May 26, 2025

/EINPresswire.com/ -- [WSI DMS](#) is proud to announce that Managing Partner Hande Ocak Başev will serve as the keynote speaker at the upcoming “Globinar Cross-Metro Meetup: Global Chamber® NYC and Global Chamber® London”, scheduled for Thursday, June 5, 2025, at 11:00 AM ET / 4:00 PM

London time. Hosted virtually via Zoom, this cross-metro event will gather top-tier business leaders and innovators from both sides of the Atlantic to examine how artificial intelligence (AI) is shaping the global business landscape.

Thematic Focus: “Be AI-Ready – Strategizing for the Future of Global Business”

The Globinar aims to accelerate cross-border collaboration and AI strategy adoption with a focus on:

Industry-wide AI adoption best practices

Peer-led strategy dialogues on AI implementation

Partnership-building between NYC and London business communities

Key Topics Include:

AI Ecosystems: Comparing NYC’s Wall Street-driven model with London’s sectoral diversity

Policy & Talent Pipelines: Exploring regulatory strategies and skills development

NY-London AI Corridor: Identifying bilateral growth opportunities

Vision 2030: Co-creating standards for global AI governance and innovation

Keynote Speaker:
