“

We are deeply honored to receive this award, especially knowing that it comes directly from our guests' feedback.”

TripAdvisor, the world's largest travel guidance platform, grants the Travelers' Choice Award annually to destinations, accommodations, restaurants, and attractions that have received outstanding traveler reviews over the past 12 months. The award reflects not only the quality of the charter experience offered by Seas the Day but also the dedication of its team to providing world-class service and unforgettable marine adventures in the U.S. Virgin Islands.

“We are deeply honored to receive this award, especially knowing that it comes directly from our guests' feedback,” said Hope Stawski, President of Seas the Day Charters. “Every day, our team strives to create an exceptional and safe experience for visitors, and it's incredibly rewarding to see that our passion for excellence resonates with travelers from around the globe.”

Seas the Day Charters, which operates a diverse fleet of powerboats, catamarans, and luxury

yachts, has become synonymous with custom, private charters throughout the USVI and BVI. With experienced captains, certified crew members, and unmatched knowledge of the Virgin Islands, the company curates tailored itineraries ranging from snorkeling and beach hopping to romantic sunset sails and family excursions.

Travelers consistently rave about the company's attention to detail, hospitality, and commitment to customer satisfaction. Recent TripAdvisor reviews highlight the charter's "incredible service," "stunning destinations," and "once-in-a-lifetime experiences." These glowing testimonials are a key reason behind the Travelers' Choice distinction.

This recognition builds on a strong foundation of accolades and further solidifies Seas the Day's reputation as a leader in luxury marine tourism. The company continues to grow, recently expanding its fleet and services to accommodate a broader range of guest preferences and event types, including a private Veuve Clicquot sunset sail and corporate outings.

"We owe our success to our phenomenal crew, loyal guests, and the breathtaking beauty of the U.S. Virgin Islands," added Stawski. "As we celebrate this milestone, we remain committed to raising the bar even higher for the charter experiences in the Caribbean."
