

Bruno Avelar Brings the 22nd Edition of The Power of Network to New York

NEW YORK, NY, UNITED STATES, May 26, 2025

/EINPresswire.com/ -- A major event for Brazilian entrepreneurs and community leaders abroad will take place in Newark, New Jersey, this May: the 22nd edition of O Poder do Network. The event, created by Brazilian entrepreneur [Bruno Avelar](#), has expanded in reach since its creation, now drawing international attention and audiences across the United States, Europe, and Africa.

Originally founded to empower Brazilians living outside their home country, O Poder do Network has grown into a platform for professional connection, business development, and motivational exchange. The 2025 edition, set at 50 Park Place in Newark, will gather professionals from multiple industries for a full-day program of lectures, interviews, and networking sessions.

An Expanding Roster of Speakers

Among the speakers confirmed for this edition are some of the most recognized names in entrepreneurship and personal development, including:

Tiago Brunet – Author and leadership coach

Pablo Marçal – Business strategist and speaker

Natália Beauty – Entrepreneur in the beauty industry

Felipe Pacheco – Mentor in business development

Yuri Jr. Abreu – Speaker on leadership and purpose

André Carvalho – Entrepreneur and event organizer

Raphael Carvalho – Consultant and business trainer

The program includes keynote addresses and a talk show-style session that encourages candid dialogue and personal storytelling. According to the organizers, the goal is to offer participants not just content, but context—helping them draw direct connections between personal growth and business opportunity.

Impact on the Community

The event's creator, Bruno Avelar, has emphasized that the real value of O Poder do Network lies in the connections made during the event. “We believe in the power of proximity,” said Avelar in a statement. “Great things happen when the right people are in the same room with a shared purpose.”

Past editions of the event have been held in cities like Boston, Miami, Orlando, and international locations including Portugal and Mozambique. Participants often cite the event as a turning point in their careers or personal journeys, reporting increased confidence, business partnerships, and clarity of direction following their attendance.
