

'THE WITCHER IN CONCERT' U.S. TOUR LAUNCHES TO MORE THAN 45 CITIES THIS FALL

Concert Series Celebrating “The Witcher 3: Wild Hunt” Includes the Iconic Soundtrack Performed Live and Special Guest Members of Percival Schuttenbach

LOS ANGELES, CA, UNITED STATES, May 27, 2025 /EINPresswire.com/ -- GEA Live, CD PROJEKT RED, and RoadCo Entertainment today announced The Witcher in Concert

(www.thewitcher.com/concert) will tour the U.S. for the first time ever, starting September 2 in Austin, Texas before visiting more than 50 cities around the country. The Witcher in Concert is a live

music experience featuring a timeless soundtrack from “The Witcher 3: Wild Hunt” by CD PROJEKT RED. The concert series was created to coincide with the tenth anniversary of the critically acclaimed video game, which follows the story of Geralt of Rivia as he embarks on a quest to find his adopted daughter, Ciri. Each performance is brought to life by an ensemble of

14 musicians handpicked by the score’s co-composer, including select members of Polish folk metal band Percival Schuttenbach. Tickets go on sale May 30.

“

We’re grateful to see that even 10 years after the game’s original release, our community embraces its music and is ready to join Geralt on one more journey through the Continent.”

Marcin Przybyłowicz, music director and the soundtrack’s co-composer.

“The response to the concert announcements has been nothing short of extraordinary,” says Marcin Przybyłowicz, music director for “The Witcher 3” and the soundtrack’s co-composer. “We’re grateful to see that even 10 years after the game’s original release, our community embraces its music and is ready to join Geralt on one more journey

through the Continent.”

The Witcher in Concert is a one-of-a-kind live event that transforms the lasting legacy and emotional storytelling of “The Witcher 3: Wild Hunt” into a gripping live performance on stage. The concert and celebration of the dark fantasy role-playing game’s incredible music and emotional narrative features an ensemble orchestra and cutting-edge visuals. Each concert merges stunning cinematics and gameplay with tracks specially arranged for the occasion under the supervision of Przybyłowicz. From the opening strains of “The Trail” to the heart-pounding “...Steel for Humans,” Geralt of Rivia’s journey across the war-torn Northern Kingdoms is a sonic marvel to hear, whether for the first or hundredth time.
