

Aesthetic Record Partners with Sunbit to Eliminate Payment Barriers and Transform the Patient Financing Experience

No more lost revenue: Aesthetic practices get instant, fully integrated patient financing through Aesthetic Record x Sunbit strategic partnership

DALLAS, TX, UNITED STATES, May 27, 2025 /EINPresswire.com/ -- Aesthetic Record, the industry-

“

This integration marks a significant milestone for aesthetic practices looking to improve patient access to treatments while streamlining operations.”

Tiffany Hall, PhD

leading EMR and practice management solution for aesthetic clinics, is pleased to announce a strategic integration with Sunbit, a preferred financing technology option for aesthetic services. This partnership empowers clinics to offer flexible payment options seamlessly within Aesthetic Record’s Point-of-Sale (POS) and Patient Wallet, enhancing patient accessibility and practice revenue.

Solving Long-Standing Challenges in Patient Financing

Aesthetic practices have long faced challenges with patient accessibility, manual payment processing, and fragmented financial systems. Without integrated financing solutions, clinics often encounter:

- Lost revenue due to patients declining treatments over cost concerns
- Complex payment processes that disrupt the patient experience
- Limited visibility into financing performance and payment tracking

The Aesthetic Record x Sunbit technology integration minimizes these pain points, delivering a seamless, patient-friendly financing solution that drives practice growth. This powerful integration bridges the gap between patient accessibility and operational efficiency, offering clinics a streamlined way to provide financing while maintaining financial accuracy.

For Aesthetic Practices:

- Seamless Financing at Checkout: Patients can access Sunbit technology’s flexible payment plans directly through Aesthetic Record’s POS, eliminating manual processes.
- Real-Time Payment Tracking: Every financing transaction is tracked from approval to

completion, ensuring full financial transparency and no lost revenue.

- Instant Financing Eligibility: Clinics can view patients' pre-approved financing options instantly at the point of care, speeding up the checkout process.
- Integrated Reporting & Analytics: Access real-time insights into financing adoption, revenue impact, and program performance through Aesthetic Record's reporting suite.

For Patients:

- Enhanced Treatment Access: Sunbit technology's flexible payment plans make treatments more accessible, allowing patients to proceed with confidence.
- Frictionless Checkout Experience: Financing options are seamlessly integrated into the Aesthetic Record Wallet, simplifying the payment process.
- Transparent Terms: Patients enjoy clear, no-hidden-fee financing options, fostering trust and loyalty.

Aesthetic Record Partners with Sunbit to Solve Patient Financing Pain Points

Why This Partnership Works: The Best of Both Worlds

Aesthetic Record and Sunbit are leaders in the space, and together, they deliver a comprehensive solution for practice growth and patient satisfaction. By integrating Sunbit technology's financing tools with Aesthetic Record's robust practice management system, clinics gain a 360-degree view of patient interactions, financial transactions, and business performance.

A Simple, Instant Integration – Practices Can Get Started in Minutes!

The Aesthetic Record x Sunbit integration is designed for effortless activation with minimal setup. For practices already using Aesthetic Record's integrated Point-of-Sale powered by Stripe, simply toggle on the integration for instant financing options and real-time tracking. Aesthetic Record users who are not currently using integrated payments can activate their POS to begin offering Sunbit to their Patients.
