

# KENTEX Launches Limited Edition Evangelion Racing 15th Anniversary Watch – Limited to 99 Pieces Worldwide

*KENTEX ignites Evangelion Racing's 15th anniversary with a bold, Unit-01-inspired chronograph watch. Only 99 exist for the most devoted fans.*

TOKYO, JAPAN, May 29, 2025

/EINPresswire.com/ -- A landmark collaboration between Japan's premier watchmaker KENTEX and Evangelion Racing celebrates the team's 15th anniversary. Inspired by EVA Unit-01 and engineered for motorsport performance, this premium timepiece will be available for pre-order starting May 30, 2025.

Pre-order Website: [https://kentex-shop.com/evar2025/index\\_en.html](https://kentex-shop.com/evar2025/index_en.html)

A landmark collaboration between Japan's premier watchmaker KENTEX and Evangelion Racing celebrates the team's 15th anniversary.

## □About KENTEX

Since 1994, KENTEX has been dedicated to delivering high-quality, high-precision timepieces—crafted entirely in Japan—including models officially adopted by the Japan Self-Defense Forces.

Every KENTEX watch is designed, manufactured, and serviced domestically.

## □Design Highlights

This exclusive model fuses the iconic color scheme of EVA Unit-01 with the rugged engineering of the MOTO-R series, delivering both function and fandom in one striking piece. Only 99 pieces will be made worldwide – a rare token of "awakening" for your wrist.

- Left-side crown and pushers at 9 o'clock: Designed for optimal control and comfort during riding.
- Purple and green dial inspired by EVA Unit-01, featuring the EVA Racing logo at 9 o'clock.

- Chronograph seconds hand modeled after the Spear of Cassius – a unique touch exclusive to this limited edition.
- Two-layer sports strap combining rubber and stitched punching leather for both durability and comfort.
- Screw-down case back engraved with the EVAR logo and serial numbers (01/99 to 99/99) – no two are alike.

#### □Functional Features & Exclusive Extras

- Japanese-made quartz chronograph movement with shock detection: Minimizes hand displacement due to impact and vibration.
- Sapphire crystal with anti-reflective coating: High resistance and clarity.
- High-luminosity hands and indexes: Ensures legibility in dark environments.
- 100M water resistance: Tough enough for rain and dusty terrains.

Each unit includes:

- Ballistic nylon replacement strap, durable enough for tactical use and designed to fit comfortably over riding gear. Easily replaceable with the included hex wrench.
- A limited-edition EVA Racing guarantee card featuring exclusive artwork.

#### □About Evangelion Racing

Evangelion Racing was established in April 2010 as part of a promotional tie-up with "Evangelion: New Theatrical Edition." The team features cars themed after EVA Unit-01 and popular characters from the series, competing in premier events such as SUPER GT and the Suzuka 8-Hour Endurance Race.

Since 2024, KENTEX has served as an official sponsor of the Evangelion Racing team, providing performance riding gear through its MOTO-R series.
