

The TMG is accepting applications for subsidies to attract Green Transformation ('GX') related foreign companies

TOKYO, JAPAN, June 4, 2025 /

EINPresswire.com/ -- In order to realize a decarbonized society and promote a "sustainable recovery," the Tokyo Metropolitan Government (TMG) is continuing its "GX-Related Foreign Company Tokyo Market Entry Support Program" for FY 2025. This program aims to facilitate innovation and accelerate GX (Green Transformation) market expansion by attracting foreign firms and cooperating with Tokyo-based companies. This program will provide focused and intensive support for foreign firms with high-level GX-related technological capabilities.

We are pleased to announce that TMG is now accepting applications from companies who are eligible for support.

1. Outline of Application Process

Eligibility

Foreign companies with advanced technological capabilities in GX-related fields who will establish a new base of operations, and start business in FY 2025. (For details, refer to the application guidelines posted on the website below)

How To Apply

Please review the application guidelines on the website below and follow the procedures: (Application deadline: Friday, July 18, 2025, 11:59pm Japan Standard Time)

<https://www.investtokyo.metro.tokyo.lg.jp/en/oursupports/gx-subsidy.html>
