

Cybersecurity Trailblazer Eldon Sprickerhoff Joins ShadowHQ as Strategic Advisor

Sprickerhoff's Appointment Underscores Industry Shift Toward Proactive Incident Readiness, Strengthens ShadowHQ's Commitment to Modern Cyber Crisis Response

TORONTO, ONTARIO, CANADA, May 29, 2025 /EINPresswire.com/ -- [ShadowHQ](#), a leader in cyber incident preparedness and response, today announced the appointment of cybersecurity pioneer [Eldon Sprickerhoff](#) as Strategic Advisor, effective immediately.

Sprickerhoff, co-founder and former Chief Innovation Officer at eSentire, brings decades of cybersecurity leadership and incident response expertise to the role. Widely recognized for redefining proactive threat

detection and response at scale, Eldon's guidance will help shape ShadowHQ's [platform](#) development, accelerate adoption among enterprise customers and Managed Security Service Providers (MSSPs), and drive innovation to meet modern incident readiness demands.

“

I'm excited to support ShadowHQ as they pioneer a new standard for cyber crisis response—one that businesses can rely on when seconds count.”

Eldon Sprickerhoff

"Cybersecurity leaders can no longer afford to think of incident response as a post-breach activity," said Sprickerhoff. "Today's threats demand a readiness-first approach that unifies internal and external stakeholders, provides secure, out-of-band collaboration, and enables rapid decision-making under pressure. I'm excited to support ShadowHQ as they pioneer a new standard for cyber crisis response—one that businesses can rely on when seconds count."

Eldon's appointment comes at a critical time for organizations rethinking their preparedness strategies amid a rising tide of ransomware, data breaches, and supply chain attacks. His experience will support ShadowHQ's mission to equip organizations with a modern, proactive, and resilient response framework.

"This appointment signals a major step forward, not just for ShadowHQ, but for the industry," said Nick Scozzaro, Co-founder and CEO of ShadowHQ. "Eldon has helped build one of the most respected cybersecurity companies in North America and understands what it takes to deliver outcomes when incidents occur. His strategic insight will be instrumental as we scale ShadowHQ to support rapid adoption by customers and partners alike."

ShadowHQ Co-founder and CEO Nick Scozzaro

Unlike traditional response tools that focus solely on post-incident actions, ShadowHQ offers organizations a secure, out-of-band environment to bring together cross-functional stakeholders, execute crisis playbooks, and maintain business continuity. Eldon's advisory role will help ShadowHQ further evolve its platform to support this new era of response readiness.
