

Regal Court Reporting Recognized by Orange County Business Journal's Family Owned Business Awards

Isaiah and Stephanie Leslie founded Regal Court Reporting to be the solution for attorneys who prefer the white glove touch of a family-run agency

SANTA ANA, CA, UNITED STATES, May 28, 2025

/EINPresswire.com/ -- In an industry surrounded in chaos, [Regal Court Reporting](#) strives to support the legal profession with grounded, ethical and service-first support. Founders Isaiah and Stephanie have designed their firm to be nimble so that they can pivot with ease to best serve their clientele. As the alternative to corporate agency support, Regal Court Reporting places doing the right thing for the client at the heart of every decision versus doing purely what is best for the bottom line. While creating a sense of stability and accessibility for their clients, Isaiah and Stephanie have carefully curated a workplace culture that is empowering for their court reporters, allowing the firm to attract some of the best talent in the industry. Earning a best-in-class reputation year over year as one of the last 100% court reporter-owned, steno-only firms in California, Regal Court Reporting is honored to be included in the Orange County Business Journal's 2025 Family Owned Business awards as seen [HERE](#). As the immediate past president for the CalDRA (Deposition Reporters Association of California), Stephanie Leslie and partner Isaiah Leslie are actively looking to acquire other firms that are looking for an alternative to being acquired by a corporate entity.
