Murwillumbah Railway Station
248 Tweed Valley Way

 **Better by Bike**

Bike Care Workshop - with Better by Bike!

The one-hour session is designed for beginners, casual cyclists, and anyone looking for a practical refresher on basic bike maintenance. Attendees will learn essential skills such as how to fix a flat tyre, clean and lubricate their chain, and spot common maintenance issues before they become bigger problems.

“

Even knowing how to check your tyre pressure or tighten your brakes can make a big difference, especially for people new to e-bikes. We want everyone to feel confident exploring this beautiful region.”

Campbell Shepherd

“We’ve seen so many people fall in love with e-biking across the Northern Rivers Rail Trail, but many are unsure how to handle a flat or adjust a chain,” says Campbell Shepherd, co-founder of Better By Bike. “This workshop gives riders the tools and confidence to enjoy the trail more safely and independently.”

A Practical Workshop for Everyday Riders

The Bike Care Workshop is open to the public and completely free to attend, though bookings are essential due to limited space.

What You’ll Learn:

How to fix a flat tyre on the go

Chain cleaning and lubrication
Safe riding checks before each ride
Q&A with our experienced e-bike staff

Event Details:

When: Friday 7 June, 10:00–11:00am

Where: Better By Bike, Murwillumbah Railway Station

Address: Shop 1, 284 Tweed Valley Way, Murwillumbah NSW

Cost: Free (Registration required)

How to Book: [Visit](#) or call 0408 444 858

Attendees will also receive a printed bike safety checklist and exclusive discounts on selected bike accessories and hire packages.

Supporting Local Cycling Confidence

Better By Bike has been a key player in promoting eco-friendly, accessible adventure tourism throughout the Northern Rivers Rail Trail. With a growing number of families, seniors, and first-time e-bike users riding the trail, the company recognises the need for basic maintenance knowledge to support safe and enjoyable outings.

“Even knowing how to check your tyre pressure or tighten your brakes can make a huge difference, especially for people new to e-bikes,” says Campbell Shepherd. “We want everyone to feel comfortable and capable when exploring this beautiful region.”

Whether you’re a local rider, holidaymaker, or rail trail regular, this free workshop offers a fun and friendly introduction to looking after your bike.
