This integration allows BestRx pharmacies to offer a seamless, 24/7 prescription pickup experience, enhancing patient convenience while optimizing pharmacy operations. The Pharmaself24 kiosk offers a convenient pickup alternative beyond the counter, easing wait times and staffing demands while allowing pharmacies to maintain strong personal connections with patients.

“

This partnership with BestRx gives pharmacists the tools to offer around-the-clock pickup without adding extra staff hours.”

Tom Oden

Designed with flexibility in mind, Pharmaself24 offers secure prescription storage and automated text notifications, allowing patients to pick up prescriptions on their schedule. The direct integration with BestRx gives pharmacy teams time back in their day to focus on clinical services and expand revenue-generating care offerings.

“We’re excited to announce our integration with Lansworth Pharma SelfServe, which reinforces our commitment to streamlining pharmacy operations and improving patient care,” said Hemal Desai, President of BestRx at RedSail Technologies. “This collaboration provides BestRx users

with faster, more efficient access to pharmacy services, allowing them to better serve their patients with ease and confidence.”

Tom Oden, President & CEO of Lansworth Pharma SelfServe, emphasized the value this integration brings to community pharmacies. “Independent pharmacies are increasingly expected to provide high-touch care while managing labor challenges and evolving consumer expectations,” Oden said. “This partnership with BestRx gives pharmacists the tools to offer around-the-clock pickup without adding extra staff hours. We’re excited to see BestRx pharmacies embrace this innovative solution as a way to enhance access, elevate convenience, and future-proof their operations.”

This integration marks Lansworth Pharma SelfServe’s second collaboration with the RedSail Technologies network, further reinforcing the company’s dedication to bringing cutting-edge and patient-focused solutions to independent pharmacies across the U.S.
