

RuggedRed Launches USA-Made Cleaning Products on Amazon: Powerfully Effective Where Others Fail

RuggedRed is a new line of professional-grade, proven, USA-made household cleaning products that are safe, effective, and sustainable.

COUNCIL BLUFFS, IA, UNITED STATES, June 5, 2025 /EINPresswire.com/ -- RuggedRed, a new line of USA-made, professional-grade, household cleaning products, announces its nationwide launch on Amazon USA. In an era where too many cleaners are diluted and ineffective, RuggedRed delivers a [Proven, Powerful Clean](#) that tackles industrial-grade messes, without harsh chemicals, while remaining safe and sustainable for home use. Available in six professional-grade formulas in 32-ounce bottles—offered as single units, 2-packs, or 3-packs—RuggedRed is now accessible nationwide with Amazon Prime 2-Day Delivery.

“Consumers are tired of cleaners that promise results but fall short,” said Rick Glenn, General Manager at Formoclean, USA, manufacturer of RuggedRed. “RuggedRed was created to deliver uncompromising cleaning power that outperforms watered-down alternatives without harsh chemicals. Our Amazon launch makes professional-grade, eco-friendly cleaning available to every American

household while supporting U.S. jobs and sustainability.”

RuggedRed: Performance That Outshines

- **Unmatched Power:** Effortlessly eliminates grease, grime, odors, and stains that weaker cleaners can't touch.
- **Proven Results:** Trusted by professionals for homes, kitchens, garages, and beyond.
- **Spotless Surface Finish:** Leaves surfaces streak-free, residue-free, and refreshed.
- **Eco-friendly:** Contains no harsh chemicals and delivers professional strength without environmental harm.
- **Proudly USA-Made:** Supports American workers and communities while reducing environmental impact.
