

# CHIEF ROBIN HENDERSON TO BE FEATURED IN TRUDY JACOBSON'S SERIES HIGHLIGHTING AMERICAN WOMEN

AUSTIN, TX, UNITED STATES, May 28, 2025

/EINPresswire.com/ -- The "[Great American Warrior](#)" series captures the true stories of women who impact law enforcement, first responders, and veteran communities and serve as a source of inspiration.

Philanthropist Trudy Jacobson continues her mission to honor the dedication and sacrifices of American women through her "Great American Warrior" series. The latest to be recognized is Chief Robin Henderson, Interim Chief of Police for the Austin Police Department, whose life story embodies perseverance, service, and an unwavering commitment to community.

Chief Henderson's journey began with a dream of becoming a dentist, but life had other plans. As a young, single mother balancing college, parenting, and late-night bartending, she leaned into resilience. At the urging of her father, a retired Army sergeant major, Henderson pursued a career with the Austin Police Department—a decision that would ultimately define her legacy.

"Robin is the definition of a Great American Warrior," said Trudy Jacobson. "Her determination to rise above adversity and lead with strength, compassion, and integrity is a model for women across this country."

From patrol officer in Northeast Austin to undercover stings with the Street Response Unit, and later as a training officer and assistant chief, Henderson's path was built on grit and grace. She has spent decades serving the city of Austin and mentoring the next generation of officers.

"You are constantly in a state of improving yourself," Henderson said. "It's difficult to teach if you don't know what you're teaching. You're always being challenged with the 'why.'"

Now leading one of the largest law enforcement agencies in Texas, Chief Henderson stands as a beacon of hope and a fierce advocate for those under her command. Her story is not just one of rising through the ranks but of redefining leadership as a woman of color in a demanding profession.

"There's this high level of expectation, but not necessarily the high level of support," she said. "But I love the officers I work with. They are phenomenal."

Chief Robin Henderson's feature in the Great American Warrior series is a testament to her faith, strength, and enduring commitment to public service. She is not only a protector of her community but a role model to countless others.
