*Area 52 becomes the first online dispensary shipping legal cannabis products – including THC gummies and flower – to Texas.*

HOUSTON, TX, UNITED STATES, May 29, 2025 /EINPresswire.com/ -- [Area 52](#) becomes the first and only online dispensary shipping premium cannabis legally throughout Texas. This breakthrough follows strict compliance with the 2018 Farm Bill, making quality cannabis available to all Texans without medical cards or local dispensary access.

Online Dispensary Area 52

"We're the only company offering statewide cannabis shipping in Texas," said Area 52's founder. "While others can't ship across state lines, we've created the legal solution."

## Legal Cannabis Shopping Now Available in Texas

Contrary to popular belief, Texans can now buy weed online legally. Area 52's federally compliant products deliver the same potency as traditional dispensaries while meeting federal hemp regulations.
