

Senior Piercer Wanted in North County San Diego: Full Bookings, \$500/Day Potential

Open Role for Experienced Piercer—High Client Volume, Advanced Protocols, Mentorship Included

ESCONDIDO, CA, UNITED STATES, June 2, 2025 /EINPresswire.com/ -- Golden Child Tattoo & Piercing Shop seeks an experienced senior piercer to fill a rare opening at its respected Escondido studio. The studio is reviewing candidates who meet APP safety standards, maintain a strong healed-work portfolio, and are ready to take on a leadership role. Golden Child piercers earn \$35 per piercing, plus tips, with daily income often exceeding \$300 during the week and \$500 on weekends.

Artists and clients fill the floor at Golden Child Tattoo & Piercing Shop during a busy session day.

The shop's piercing techniques were built from the ground up using best-in-class protocols brought over from Zebra Piercing — the most recognized studio of its kind in the country. Golden Child's original senior piercer trained under Zebra's team and helped shape the studio's piercing service philosophy, from jewelry sourcing to anatomy-aware placement techniques to advanced client styling and healing protocols. The result is a piercing experience rarely matched anywhere else in the region.

“It's rooted in Zebra's gold-standard approach and carried forward by a team focused on mastery, style, and client care. We're not just hiring — we're investing in the future of the craft.”

“Our piercing culture isn't plug-and-play,” said Brandon ‘Sixer’ Castillo, owner of Golden Child. “It's rooted in Zebra's gold-standard approach and carried forward by a team focused on mastery, style, and client care. We're not just hiring — we're investing in the future of the craft.”

The role includes access to implant-grade titanium and gold jewelry that meets APP standards, client-friendly natural-light suites, and steady bookings five days a week with support from in-house marketing. Limited relocation assistance may be available for the right candidate.

This body piercer job in San Diego is ideal for professionals seeking steady volume, high studio standards, and a mentorship-driven environment. Applications are currently being reviewed. With one of the studio's current senior piercers preparing to launch his own studio — but staying to help train the new hire — Golden Child is aiming to fill the role quickly.
