

CO2LIFT® Launches First-Ever, Creator-Focused Ambassador Program to Bring Clinical Skincare Into the Social Spotlight

Inviting skincare enthusiasts and wellness-forward voices to #CARBOXIFY their routine with clean, medical-grade carboxytherapy

FORT LAUDERDALE, FL, UNITED STATES, May 29, 2025 /EINPresswire.com/ -- Skincare's best-kept clinical secret is stepping into the influencer spotlight. [CO2LIFT®](#), the medical-grade carboxytherapy brand trusted by estheticians and physicians worldwide, is officially opening its doors to a new era of clean clinical beauty by inviting skincare creators, wellness tastemakers, and digital storytellers to apply to its first-ever ambassador program.

This marks a pivotal moment in the CO2LIFT® journey. Known for pioneering non-invasive skin regeneration through carboxytherapy, the brand is working to bridge science and social media by offering skincare enthusiasts a chance to become the face of future-forward skin health.

“We’re looking for creators who genuinely align with our values, who understand that beauty and science not only can coexist, but thrive together,” says Lana Kerr, Founder & CEO of CO2LIFT®. “Our ambassadors are an extension of our clinical credibility and clean beauty ethos. This program is about empowering creators to educate, inspire, and CARBOXIFY their community.”

#CARBOXIFY: The Skin Reset Your Routine Has Been Waiting For

Debuting with a fresh brand mantra, the “CARBOXIFY Yourself with CO2LIFT®” campaign captures the transformative, oxygenating power of carboxytherapy in a single, social-first phrase. Whether used as a tagline or hashtag, #CARBOXIFY signals a new beauty movement that blends efficacy with elevated aesthetics.

From TikTok's obsession with skin cycling and skin flooding to Instagram's shift toward “real skin” and post-procedure recovery routines, CO2LIFT® sits at the intersection of what's trending and what's truly transformative. The brand's signature carboxy gel delivers clinical-grade results

without downtime, making it a favorite among derms, medspas, and glow-getters alike.

What Ambassadors Can Expect:

Not just another affiliate program. CO2LIFT® ambassadors will gain premier access to a curated experience designed to grow their voice and visibility within the skincare space:

- Exclusive Product Kits featuring CO2LIFT®'s full carboxytherapy range
- First Look Access to new launches and clinical education
- Referral Incentives with commission opportunities and performance perks
- Content Features & Brand Spotlight Opportunities across CO2LIFT®'s digital channels
- Collaborative Campaign Opportunities with potential for UGC, co-creation, and beyond

Whether you're a UGC Creator sharing your protocol, a beauty blogger exploring clinical alternatives, or a wellness advocate skincare enthusiast spotlighting skin longevity, this is your invitation to help define what's next in non-invasive skincare.
