"Our Military Service members and their families make immense sacrifices to protect our communities and safeguard our Nation's freedom. As a token of our gratitude for their dedication, we are honored to offer this discount in recognition of their service." Caryn Fennell and Lacey Briasco, Law Partners at Fennell, Briasco & Associates.

With a dedicated focus on [military divorce](#) cases, the partners at Fennell, Briasco & Associates offer a unique and deeply personal understanding of the challenges faced by military families. Law Partner Caryn S. Fennell, a

proud Army Veteran, and Law Partner Lacey M. Briasco, the wife of a retired Army Pilot, bring firsthand experience of military life. Their connection to the military community allows the firm to provide specialized, compassionate legal representation for service members and their families navigating the complexities of military divorce.

Military divorce cases differ significantly from civilian divorces, often involving unique aspects like jurisdiction issues, the division of military pensions, and custody arrangements complicated by

deployment. The partners at Fennell, Briasco & Associates are well-versed in the intricacies of both state and federal laws that impact these cases, including the Uniformed Services Former Spouses' Protection Act (USFSPA) and the Servicemembers Civil Relief Act (SCRA).

The firm's dedication to supporting military personnel and their families goes beyond legal advocacy. This new discount is a heartfelt tribute to those who have sacrificed for our nation, reflecting the firm's deep appreciation for their service.
