

Aesthetic Award Season's Power Pairing: CellSound x Shaun Charles Med Spa Take the Spotlight

Two innovators. One shared vision. A beauty revolution making the industry look twice in celebration of innovation, partnership, and next-generation aesthetics.

LOS ANGELES, CA, UNITED STATES, May 30, 2025 /EINPresswire.com/ -- When cutting-edge technology meets elevated aesthetics, it creates more than buzz — it changes the game. [CellSound Aesthetics](#), LLC is turning heads across the industry with its powerhouse partnership with Shaun Charles Med Spa, now nominated for two top honors at the 2025 Aesthetic Awards: Best Aesthetic Practice and Best Non-Surgical Body Shaping Enhancement.

“

Jeff and Shaun are not only highly skilled practitioners—they're visionaries. Their ability to deliver exceptional outcomes using non-invasive methods speaks volumes about the future of aesthetics.”

Dr. Nicholas Nikolov

Presented by The Aesthetic Show, the Aesthetic Awards recognize the most innovative, effective, and impactful advancements in the field of medical aesthetics. From trailblazing treatments to visionary providers, these coveted honors highlight leaders who are pushing

boundaries in beauty and patient outcomes. With a judging panel of respected medical professionals and industry insiders, these awards are considered one of the highest marks of excellence in the field.

At the heart of Shaun Charles Med Spa's nominations is the transformative power of CellSound's patented electrosonic therapy. This next-gen treatment platform delivers visible contouring and rejuvenation without heat, pain, or downtime. Using this proprietary technology of low-frequency acoustic waves and electrocurrent energy, CellSound's proprietary technology improves blood flow, lymphatic drainage, stimulates collagen, promotes detoxification, and restores the skin's natural vitality—all without damaging surrounding tissues.

This breakthrough technology powers the signature treatments offered at Shaun Charles Med Spa, a luxe Wakefield-based destination founded by Jeff Spanos and Shaun Spanos, MSN, APRN, NP. Known for its refined results and white-glove service, the med spa has earned a devoted

clientele and growing national recognition. Together, the team seamlessly blends CellSound's science-backed innovation with personalized treatment plans and a deep understanding of natural-looking beauty.

"We are honored to see our partner recognized for their excellence," said Dr. Nicholas Nikolov, a Beverly Hills celebrity plastic surgeon and Chief Medical Officer of CellSound Aesthetics. "Jeff and Shaun are not only highly skilled practitioners—they're visionaries. Their ability to deliver exceptional outcomes using non-invasive methods speaks volumes about the future of aesthetics."
