

Gaiea Sanskrit's new album, concert and film series

"Celestial Journey": New Album and Spiritual Concert in a Breathtaking Italian Location on June 28

AMSTERDAM, NETHERLANDS, June 2, 2025
/EINPresswire.com/ --

Celestial Journey – New Album by Gaiea Sanskrit

"Celestial Journey", the 31st album by Gaiea Sanskrit, blends Sanskrit, soulful melodies and celestial soundscapes. The album is gaining momentum on Spotify and has entered the One World Music Radio Album Top 10.

Several music videos have been released on YouTube, with more to follow.

One of the songs, titled *Respira Tranquila*, was inspired by a personal moment. Gaiea explains: "When I once felt fearful, someone looked me in the eye and said those words. Hearing them in Spanish touched me deeply — my whole body responded and relaxed. That's why I added the lyrics: 'Breathe, breathe slow and let go.' The song is a recollection of that moment — and a reminder to myself of how important it is."

Limited places available. Early booking is recommended.

Celestial Journey album

About Gaia Sanskrit

Gaia Sanskrit is a British singer and composer known for her soul-stirring renditions of Sanskrit mantras and hymns. She began learning Sanskrit at the age of four, later earning a degree in Sanskrit from Oxford University and a Master’s in Music Theatre. Gaia combines her deep knowledge of this ancient language with her musical talents to create songs that resonate with audiences around the world. Gaia founded the Cosmic Choir, a global ensemble of singers dedicated to Sanskrit music.

About Sanskrit

Sanskrit is often referred to as the language of the gods — its sound vibrations said to harmonise body and soul. It is the mother of many languages and traditions, and is more than 3,000 years old.

Sanskrit film

Gaia and the Cosmic Choir concert

In 2024, Gaia released the six-part [Sanskrit Pilgrimage film series](#). It shows her search for ancient wisdom in England, Wales, Ireland and Scotland, meeting people whose lives have been transformed by this ancient language, discovering connections with history and culture, and why Sanskrit is still very much alive today. More is on the way.
