“We were especially proud to work with a business in Texarkana, a place that holds deep generational ties for our team,” said Crystal Groves, owner of Misfit Interactive. “Bringing a modern digital face to a company as well-

known and respected as Sid & Sons is the kind of project that connects our passion for small business with our personal history.”

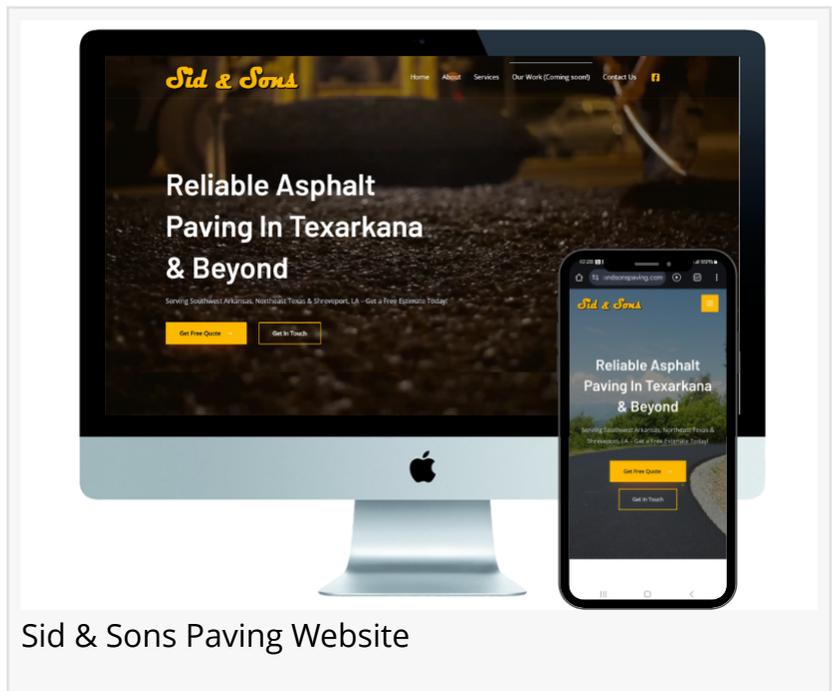

Features of the New Website:

- Mobile-Friendly Design: Built to look great and function seamlessly on every device.
- Visual Portfolio: Includes before-and-after galleries highlighting real work completed by the Sid & Sons team.

- Simple Management: Easy-to-edit backend so the company can keep the site fresh with new projects.

- Integrated Forms: Lead generation is streamlined with customizable quote forms that connect with third-party software for easier workflow management.

The site is just the beginning. Future expansions include a comprehensive online portfolio and a tailored SEO strategy to help Sid & Sons grow their presence throughout Texas and beyond.
